

Stmt by Sigourney Smith - 2 -

10/29/26

The Hoags, who lived on the  
valentine place between the  
Valentine house and the Fraley  
house;

And the Fraleys house, which  
was on De Russey's lane a little  
toward Hamilton Street from  
Phillips Lane.

Sigourney Smith says that Mr. Hoag is subject to sudden  
fits, which checks in with Mrs. Hoag's description of him at  
the Somerville hearing. Probably he is an epileptic.
